

CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

ABLE Instruments & Controls Ltd
Reading, Berkshire
United Kingdom

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standards:

ISO 9001:2008

The Quality Management System is applicable to:

The stockholding and the management of procurement of measurement control and analysis equipment for parameters including: level, flow, density, humidity, moisture, temperature, pressure, light and gas with source lot traceability. Stockholding of factored magnetic level gauges. Management of the manufacture of humidity instrumentation. Manufacture of RF admittance level systems to customer specifications. Servicing and repair and associated re-calibration of measurement control and analysis equipment.

Certification covered by accreditation demonstrates that compliance with the requirements of BS EN ISO 9001 has been independently assessed. This does not imply compliance with ISO 17025 or that UKAS laboratory accreditation is held.
